

WHAT YOU *NEED TO KNOW*

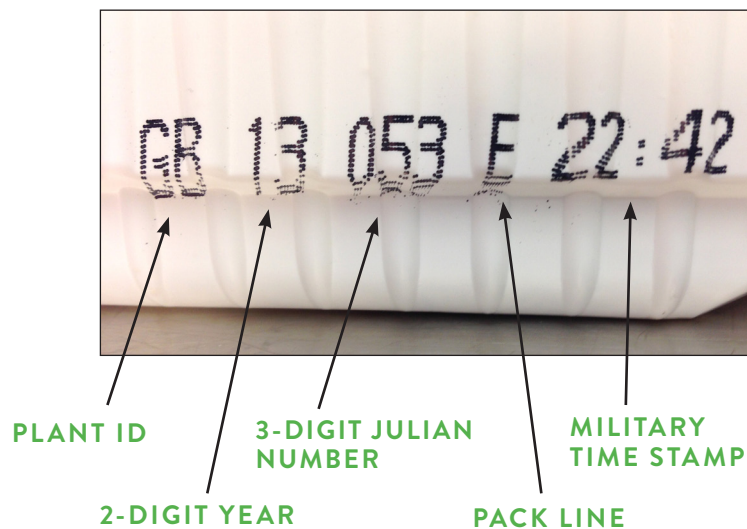

SHELF LIFE

Each product is individually marked with an expiration date that indicates its shelf life.

The shelf life for our products ranges from 14 to 21 days.

QUALITY CONTROL ISSUE?

In the event of a quality control issue, please look at the Julian code on the side of the package and provide the following information when contacting us:

HOW TO MAINTAIN GREATER QUALITY AND FRESHNESS

Keep product at 40 °F in your display case.

Cover with plastic wrap at the end of each day.
